DATE: JULY 10, 2006.

P.C.:-

Having heard the learned counsel for the parties, delay of 83 days in filing the present review petition is condoned.

The petitioners have filed the present review petition praying for review of our orders dated 28th February, 2006 and 27th March, 2006. It may be stated that by our first order dated 28th February 2006, without entering into the merits of the case, we simply directed the respondent No.1 to consider registration of the guards of the petitioner union. The second order dated 27th February, 2006 came to be passed in view of the note for speaking to minutes filed by the petitioners. We had, by our earlier order directed the respondent No.2 to apply for

registration as required by law and the Board was directed to decide the application that may be filed by respondent No.2 in accordance with law. The learned counsel for the pettioners has now raised several contentions to review our orders. However, it is not necessary for us to deal with each and every contentions in view of the fact we have simply directed the Board to take appropriate decision in accordance with law upon the application that may be filed by the respondent No.2, including the contention whether it is required to apply for registration. Needless to state that the Board will take into consideration all the contentions that may be raised by the concerned parties. It is clarified that we have neither decided the question of facts nor question of law while disposing of the petition. With the above observations the review petition stands disposed of.

CHIEF JUSTICE
